### **IN MEMORY OF JAY ROWAN**

*Jeff Vallie, Head Coach, Cascade Aquatic Club*

It is with great sorrow that I am writing this letter. On Saturday, August 10, 2003, Cascade Aquatic Club, the City of Redmond, and the Swimming Community in Oregon lost one of its own. Jay Rowan drowned while inner tubing with a friend on the Deschutes River north of Bend. It seems that Jay was caught in a current that he could not get out of and then was swept over a 15-foot waterfall. The loss is tremendous and can not be expressed with words.

I had known Jay since he was an 8-under swimming for CAC. He not only was a great competitor; he was also a team leader and a role model. He would have been a sophomore at the University of Oregon. Even though he was no longer competing in the pool, he would still come in during the summer and swim morning workouts with us and offer words of praise and encouragement to those younger swimmers whom respected him so much. Jay was always willing to help or share his knowledge of the sport or listen to the younger swimmers boast of past and present accomplishments. Never one to judge, but always the first with a "high five" upon completion of a hard set. He led by example, both in and out of the pool. He was a pleasure to know and coach.

I would like to thank all of you who have sent in words of condolence and prayers. Jay will truly be missed, In his short life; He has touched so many people be it in the pool or on dry land. God bless you Jay.

**Athletes Representatives** – Haley Zehner from the West Hill Aquatic Team is Oregon Swimming Junior

Athlete Rep. Zach Niles from the Columbia Willamette YMCA is the Senior Athletes Rep. Welcome to Haley and than you Mason Amick for your work the last 2 years.

### **Meet Evaluation forms/verification of membership**

Please make sure when you make copies of the meet evaluation form you have the latest version and they should be mailed to Bruce Ludwig.

They are included in the sanction packet. Also send a backup of your meet as soon as you have your entries done for membership verification. There are too often athletes in the meet that are not registered. The meet is not insured when this happens!! All teams should use their Hy tek software when sending entries to a meet. All athletes should be entered with their legal names (preferred names added in the appropriate spot) and registration number as it appears on their membership card. This way we don't have problems with membership verification and the times database.

**Welcome to Oregon** to Larry Liebowitz as the new coach for the Oregon State University swim team.

### **Dues Increases for 2004**

The 2002 USA Swimming House of Delegates approved dues increases starting September 1 the dues will be:

Seasonal Athlete	\$25.00
Year-Round Athlete	\$45.00
Coach	\$70.00
Officials	\$50.00
Administrators	\$45.00

No increase in outreach and club membership fee.

**Safety Marshals.** Safety marshals should be highly visible on the pool deck. USA Swimming rule 102.18. USA Swimming donated 5 vests and they can be used at your meet. Contact the office for pick up if you wish to borrow them. They can also be ordered by contacting Kiefer Sports at 1-800-323-4071. The cost is \$9.50 per vest.

## ***2003 Western Zone Championships*** ***Suha Tokman***

Oley, Oley, Oley

Like last year we rocked the USC Campus with our chanting of oleys, whooshes, and OOO's, we did rocked Tempe, Arizona this year. Everyone knew we were there. That's the bottom line. It is true that there were LSC's at Zones, people hardly noticed that they were there. How sad!

Let me correct you if you think we only made our presence with our cheering. No way! We swam awesome too. Here are some results:

**The Winner of the Adam Schmidt Western Zone Spirit Award: (second year in a row) Oregon Swimming.**

**Zone record: Haley Koss:** 100M Fly in 1:04.81, Haley also finished 2<sup>nd</sup> in the 50M free.

**Oregon Swimming Records: Logan Storie:** 400M free – 4:11.90, **Alesha Trattner:** 50M free 27.47.

**First Place Winners: Logan Storie:** 1500M Free – 16:26.90 (fastest time of all age groups), 200M Free - 2:00.68, 800M free – 8:38.15 (fastest time of all age groups)

**Ellie Bradley:** 200M IM – 2:24.49. **Brittney Iverson:** 1500M Free – 17:51.80, 800M Free – 9:19.30. **Adriana Quirke:** 200M Free – 2:09.48, 100M Back – 1:08.40, 100M Free – 1:00.18.

I want to mention the second place winners too:

Ellie Bradley – 200M Back, Alyson Hamilton – 200M Free, Brittney Iverson – 200M Free and 400M Free, Jared Maricle – 200M Fly, Malia Storie – 100M Back, Alesha Trattner – 50M Free and 100M Free.

In the 100M Back for 17-18 girls Oregon Swimming took first, second and third. That was a sight to see. Adriana Quirke, Malia Storie and Kacie Hogan made the history. We went crazy cheering, of course.

The Oregon Swimming team placed 4<sup>th</sup> overall.

I like to thank all of my coaches who gave an incredible performance 5 days under 110+ degree temperature. Dick Moody, Kathe Bourell, Martin Reichgott, Jim Bowe, John Zell and Darlene Hill did a superb job... Also let's not forget the swimmer's home coaches, who coached them day after day. All Chaperones: Mr. Johnson, Mr. and Mrs. Maricle, Melissa and Lora I can not thank you enough. Especially Mr. Maricle for going always 190% to get things done.

I think we consumed 1500 bottles of water during the week, and our air conditioned awning was first class.

Oregon Swimming and Coby, there are not enough words in the English language to thank you for all you are doing for our swimmers. You are all amazing.

Elke, our incredible Manager, has done an excellent job. Thanks a million. You have survived a very challenging job with huge success.

Well, folks this was my last trip with Oregon Swimming All Stars and as the Zone Head coach. I did enjoy every moment of this job very much. It as a very hard job and also very rewarding. Luckily all the criticisms I have received were swept by success of my swimmers, smiles on their faces, the hugs I have received from them, and the little notes they wrote me now and then which came from the bottom of their hearts. I truly love all of them no matter which team they swim for or where they live.

God bless you all and thank you very much for giving me the honor of being the head coach of this awesome organization, Suha

Three thousand bottles of purified water – a record by all accounts – carefully calculated by chaperone Rob Maricle and videographer Jeff O'Brien! This was in addition to drinks at meals, water bottle refills, Gatorade and iced tea, in large containers consumed by swimmers and coaches at the 2003 Western Zone meet at the ASU Mona Plummer pool.

According to the coaches, this was the hottest meet in remembrance with the average daily temperatures hitting 110 degrees. Our slate of 67 swimmers and 14 support staff made the best of it, and all athletes performed very well. We again

ranked 4<sup>th</sup> out of 17 teams present and to our excitement we were awarded the Western Zone 2003 Spirit Award!

The trip began with a short delay to Tempe, so athletes said goodbye and gathered up straw hats, large Oregon Zone towels, shirts and swim caps. We arrived at the AmeriSuites, hungry for our first catered meal!

The rest of the week fell into a routine of meals, swimming and cheering for finals, along with many bus rides to and from the pool. Our athletes were well matched against swimmers from much larger teams and finished with outstanding performances and many personal best times. Each evening, approximately 12-15 Oregon swimmers qualified for finals and we were well represented with first place finishers! ASU souvenirs began to appear mid-week and treasured items from other teams also became part of our wares. We were more in demand than I thought – Oregon swimming logo items will be increased for next year!

The week ended with a trip to the Castles and Coasters amusement park in Tempe, where athletes were found riding a roller coaster, playing mini golf and the arcades, enjoying a wild log ride, go carts and boats.

At the airport we had plenty of time to reminisce the events of the week as our flight from Phoenix to Portland was delayed for several hours. We finally took off at 8:00 pm, landing in Portland to the cheers of the parents.

It was an intense experience for me. I admired the coaching staff head coach Suha Tokman, and coaches John Zell, Jim Bowe, Martin Reichgott, Dick Moody, Kathe Bourell, and Darlene Hill who carefully mentored each swimmer, despite the searing heat. Kudos also to the chaperones, Rob and Kim Maricle and Greg Johnson especially, who continually replenished our water and Me;issa Ineck. Our nurse, Lora Dagenais, treated several cases of heat exhaustion and miscellaneous illnesses related to the heat and meet anxiety, and tended to each athlete carefully.

Our zone swimmers are to be commended for their great effort, attitudes, adaptability to the heat, endurance and team spirit. This report would not be complete without acknowledgment to the Corvallis Aquatic Team swimmers for spearheading our cheer gear – gold and green pom poms, leis, hats and noise makers – many thanks to Judy and Malia Storie, and Mary Anne Lee. Also, once again, I have appreciated the mentoring of Coby Van Andel in preparing for this adventure, and parents at the airport, who helped with miscellaneous tasks, notably Valerie Koss, among others. I'm looking forward to the first ever zone events video presentation our OSI Top 5 ceremony on November 16<sup>th</sup>!

Elke Asleson, 2003 Zone Manager

## ***JOB OPPORTUNITY***

## ***OFFICIALS CORNER*** ***BRUCE LUDWIG***

### Recognition

Congratulations and welcomes are due once again to new and current officials for their accomplishments. Congratulations to Chip Greendale – CB, Steven King – LOSC, Margaret McMillan – TTSC, Jeff Melnick – MJCC, George Mpitsos – NST, Thanh Tran – BRSC, Ron Hewitt – TDST, Gail Greaney – BEND, Mike Kidwell – CAC, Dan Rawding – HRST, and David Lutjen – THSC for their achievements as new Stroke and Turn Officials. Welcome aboard!

Congratulations to Kristi Lapp – PSA, Dan Gnall – TDST, and Troy Wicks – BRSC for their recent certifications as Electronic Timers. Last, but not least, congratulations to Dan Gipe for his recent certification as Starter. Thanks to all of you for your hard work and dedication.

### Resources

All of you should be aware that we have numerous resources of various types available to officials from the OSI Office. For example, Trainers may request clinic packets from the OSI office in preparation for conducting new S&T, Starter, ET, or Referee clinics. Each of the Area Officials' Chairs have copies

of the S&T and Starter training videos that are available to be borrowed – mainly by trainers, but I'm sure you could talk your local Officials Chair into loaning you the video(s). If Referees and Area Officials Chairs have questions about any other training or meet management resources, don't hesitate to call your AOC, myself, or Coby at the office (she's a great resource in her own right).

Speaking of meet management resources, the OSI office has two remote strobes that can be borrowed for use during meets to assist impaired swimmers. These strobes are connected to the starting device and stretch to the lane with the impaired swimmer. Meet Directors should include a statement in the Meet Information sent out to clubs something to the effect that *clubs entering swimmers with special needs should notify the Meet Director and/or Referee as soon as possible so that appropriate accommodations can be made.* Meet Directors should remove any reference to *green cards*. These are not required, but I've seen some recent meet information that do claim to require them. Referees should always remember to ask coaches at the coaches' meetings if they have any swimmers with special needs.

Don't forget the OSI and USA Swimming websites. When it comes to information, these two sites have a lot. You can find meet schedules, club information, officials information, newsletters, and the latest news on the OSI site. The USA site's officials section is full of guidelines, forms, and various rules. It's a little cumbersome to drill down, but explore the site and you'll discover a lot of information. The OSI site is [www.oregonswim.org](http://www.oregonswim.org) and the USA Swimming site is found at [www.usa-swimming.org](http://www.usa-swimming.org) where you can locate the drop-down box on the lower left of the home page labeled *Select a section...* Locate the Officials section about 2/3 the way down this drop down list.

Oh yeah, and if you ever need a set of cow bells, David Diamond has an awesome set... but I think he goes where they go!

### ***Dick Parker Award***

Each year we acknowledge an official in OSI with the Dick Parker Official's Award. This is usually done at the Top 5 Awards Ceremony. The award is intended to recognize and honor one official that has made a difference to Oregon Swimming in some significant way. Those of you who would like to nominate someone for the award should write a brief justification and send it to the OSI office, your Area Officials' Chair, or me either by e-mail or snail mail. Please send in your nomination no later than October 5<sup>th</sup> (I'll be at the House of Delegates meeting if you want to hand it to me).

### ***Starts, Recalls, and Such***

There has been some confusion regarding what constitutes a false start. The instructions to the Starter in the USA Swimming Rules and Regulations states that when the Starter gives the command *take your mark*, the swimmers ... *shall immediately assume their starting position...* *When all swimmers are stationary, the Starter shall give the starting signal.* The instructions further indicate that *Any swimmer*

*starting before the starting signal is given shall be disqualified if... confirmed.*

The question is, does *stationary* mean *motionless* or *immobile*? According to Webster, yes, but does a swimmer's failure to remain *motionless* mean that s/he should be disqualified? That depends on whether or not the motion constitutes delay of meet. If the starter believes the motion is affecting the start, then s/he should stand the swimmers. If the motion is actually a *start*, then of course the swimmer should be disqualified if this *start* is before the signal – as long as it is confirmed by the referee.

Ok, so... a swimmer can be stationary on the blocks with minor motion as long as the swimmer does not *start* before the signal. **That** is the key, and **that** is the judgment call of the starter and referee, and **that** is why we independently confirm the starts by silently marking the heat sheet after each start. In order to disqualify a swimmer for a false start the starter and referee need to have no doubt that the swimmer was actually in the act of *starting* prior to the signal, not merely adjusting a foot, leg, etc.

This brings me to the subject of Recalls. Do we ever recall races? Yes! Sometimes inadvertently (right T\*\*\*?). We may need to recall a race if the start was clearly unfair. Don't be afraid to do so if, in your judgment Madam/Mister Starter, the start was unfair due to unique circumstances. For this reason, the Meet Referee should insist that the Meet Director provide a recall rope for those *just in case* situations.

### ***Meet Evaluations***

Please fill out meet evaluations at the meets you attend and work. These evaluations are an important way for clubs, coaches, and officials to learn to do a better job. Also... please pass on to your club that the Meet Directors should purge the old forms with Stan Benson's name and address at the top, and replace them with the more recent version of the form with my name and address. Please **do** pass that information on to the appropriate club representative. This is like any other paperwork shuffle... if you do it *right now* you won't have to worry about it again.

### ***A Sad Note***

Some of you will remember a champion swimmer from CAC and Redmond High School – Jay Rowan. Jay died recently in a river accident on the Deschutes River. He was twenty. For those of you who knew him, I'm sure you will agree he was a special young man, not merely for his swimming skills, but for his caring, yet fun-loving, spirit. Although Jay was a dedicated swimming competitor, he was instrumental in starting a water polo program at Redmond High School. Because of Jay's incredible energy and persistence in starting this program, the Rowan family has asked that any donations go toward this water polo program. If anyone wishes to do so, donations are being accepted at the Central Oregon Park and Recreation District office for the Jay Rowan Memorial Fund. In addition, if anyone has a special memory of Jay, the family would dearly love to hear about it. I am personally acquainted with the Rowan family and would be happy to pass on any such memories. Please direct your special memory to me, and any

donations to the Jay Rowan Memorial Fund, c/o COPRD, PO

## PRELIMINARY 2002-2003 SHORT COURSE AND 2003 LONG COURSE TOP 5 LIST

Listed below are athletes achieving short course (25 yards) and long course (50 meter) TOP 5 times from September 2002 thru August 2003. Please review the list carefully. Report corrections to the Oregon Swimming Office, phone 503-297-6027, FAX 503-297-8498, or email [swim@oregonswim.org](mailto:swim@oregonswim.org). Please be prepared to provide the location and date of the meet, the event and the official time. Times from meets outside of Oregon Swimming must be verified by copies of official meet results. At the time of printing not all meet results have been received. (High School Times are not eligible for top 5). Corrections must be received by October 24, 2003. Athletes achieving TOP 5 times will be invited to attend the Awards Ceremony to be held on November 17, 2002. \* = New OSI Record, ! = Top 16 reportable time. Corrections made after August 1 are in *Italic*.
