| <p>"The November and YTD Profit and Loss statements are attached. I also included a Balance Sheet as of 11-30-22 which shows the balances in the bank and investment accounts. The UBS account is finally inching back upwards - we saw a \$42.7K increase in the balance during November. The checking account continues to be a little under where we like it to be, but I am confident that with registrations at the end of the year, as well as meet income, that it will get back to the \$75K level and we won't need to bring money over from UBS. It is currently at \$40.8K so up a bit since November 30. I will have an update of 2022 results compared to the budget for you at the January meeting."</p> <p>Rex Watkins made a motion to approve the treasurer's report. Sheila Lovell-Otterstrom second. Top 5 was held at Willamette University on November 20, 2022. It was great to be back in person!! Special thank you to our athlete reps for organizing the awards and to all of the presenters and others who stepped in to make sure the event ran smoothly. Willamette University was a nice venue for the ceremony despite the social portion being in a separate building. We are hoping to have a larger group of volunteers next year which will help on the day of the event.
